

Rezultatele concursului "Memorial YO7VS 50 MHz" editia 2014

Desfasurat in zilele de 21 si 22 iunie (simultan cu IARU 50 MHz) concursul "Memorial YO7VS 50 MHz" (fost "Oltenia Six Metters"), organizat de catre Radioclubul YO HD Antena DX Grup nu a beneficiat de conditii prea bune de propagare, dar am avut o participare buna, primind, in timpul regulamentar 62 de loguri de concurs (50 YO si 12 straine) in format EDI, marea majoritate corecte sintactic, deci arbitrabile.

Am beneficiat de un excelent soft de arbitraj realizat special pentru noi de catre **Tavi, YO4BKM** (caruia ii multumim si pe acesata cale!), soft care a fost modificat "din mers", functie de situatiile neprevazute aparute.

Deasemenea Tavi a intervenit, atunci cand noi nu ne-am putut descurca, pentru corectarea erorilor de sintaxa din loguri, pentru ca acestea sa devina arbitrabile.

Programul scoate multe alte date statistice, dar mai ales **logurile evaluate** ale fiecarei statii, loguri care pot fi vazute la adresa http://www.radioamator.ro/contest/uus/memorial_yo7vs_50mhz_2014/ (tnx Ciprian, N2YO!).

Doua statii straine (**YT3N si Z35T**) nu au indeplinit conditia minima impusa de regulament (cel putin 3 statii YO lucrate) asa ca au aparut la sectiune "Chek Log".

Cupa editiei 2014 a concursului nostru a fost castigata de catre statia cu scorul cel mai mare (**EA3LA**).

Statiile clasate pe primul loc la categoriile A si C (**G4R si YO2KAR**) vor primi *plachete*. Statiile clasate pe primele trei locuri la cele trei categorii vor primi diplome.

Toate statiile care au trimis log vor primi *Diploma de participare electronica*.

Mulumind pentru **poze** din timpul concursului statiilor **YO7LFV si EE5M**, precum si tuturor celor care au participat si au trimis logul de concurs, va invitam si la **editia de 144 MHz** a concursului nostru (in 6-7 septembrie, simultan cu IARU 144 MHz)

Dam mai jos clasamentul final la cele trei categorii (A- Single operator; B- Multi operators; C- Staii YO only), lista statiilor Check log si a celor care apar cu legaturi neconfirmate, conform softului de arbitraj.

CATEGORY A (Single Operator)
